Re: SAC FUND II 0406, LLC
Docket No.: 18-cv-4875 (JBW) (RER)
Our File #: OTH 407

Dear Magistrate Judge Reyes:

Please be advised that this office represents the defendant, Henry Moya in this foreclosure matter that has been referred to your Honor by Judge Weinstein. Earlier today, I was provided with a copy of the summons and complaint by the referring attorney, who advised me that plaintiff's counsel, Roger A. Raimond, Esq., had consent to a two week extension to answer or otherwise move in this matter. My attempts to contact Mr. Raimond met with no success.

Since today may be the last day to answer, I am requesting a two week adjournment to file my answer. A Notice of Appearance is being filed contemporaneously with this letter motion.

Respectfully,

Edward J. Troy
